DWA_04.3 Knowledge Check_DWA4

---

1. Select three rules from the Airbnb Style Guide that you find **useful** and explain why.

1. Indentation, this helps with readability and maintainable

2. Declaration, 'const' indicates that a variable's value should not be reassigned. This helps prevent accidental reassignments and improves how not predictable a code can be.

3. Arrow Functions, shorter and easier to read than the traditional function expressions, especially for simpler functions

---

2. Select three rules from the Airbnb Style Guide that you find **confusing** and explain why.

1. Spacing/White Space, inconsistency can lead to visual inconsistencies and conflicts when collaborating with developers with different preferences.

2. Naming conventions

3.
